

HOLT-DELHI HISTORICAL SOCIETY

MEMBERSHIP FORM

Offline memberships are offered to those without regular internet access or who would prefer not to pay digitally for a membership. The key difference is in benefits. Online memberships come with access to online collections and exclusive digital materials. Offline memberships support the work we do throughout the year, from funding a website, offering free programming and tours, and supporting exhibit and collections efforts.

To join online, please visit www.holtdelhihistory.org.
